"Allah is all-attentive to His servants. He provides for whomever He wishes, and He is the All-strong, the All-mighty"
Holy Quran [42:19]

- *Allah (swt) is lurf (tindness) and power.*
- *Rizq (sustenance) is His control, so we should not despair.*
- *The Almighty is all-attentive since He is aware of everything. Nothing surpasses Him.*
- *We should be attentive towards others that we look after, and strong in protecting them.*

"If you are grateful, I will surely enhance you [in blessing]"
Holy Quran [14:7]

- *When thankfulness is expressed to Allah (swt), blessings will follow on and increase.*
- *The essence of expressing gratitude is to utilise the blessings of God in His obedience, and not abuse them in His disobedience.*
- *Allah (swt) says in the Qur'an that only a few of His servants are thankful (34:13).*
- *Shukr (thankfulness) starts with the tongue, followed by action of the body and finally, cements itself in the heart.*

"Hold fast, all together, to Allah's cord, and do not be divided"
Holy Quran [3:103]

- *The spirit and teachings of the Qur'an encourage unity, cohesiveness and brotherhood.*
- *Narrations point out that the rope of Allah consists of the Qur'an and Ahlulbayt (a).*
- *We should abstain from causing division or spreading enmity and hatred, but rather become beacons of hope, guidance and mercy amongst ourselves and in society.*
- *It is vital to understand the etiquettes of disagreement and learn to bridge gaps as well as respect others, despite differences of opinion.*

"Do not grieve; Allah is indeed with us."
Holy Quran [9:40]

- *Too often humans have a tendency to despair, or feel hopeless. Realising that God is aware of their suffering is therapeutic and a source of strength.*
- *Whatever we suffer from is part of the universal law of trials and tribulations. Allah does not test us without our ability to deal satisfactorily with it.*
- *If we turn to Him at times of misfortune and hardship, He will alleviate the suffering.*
- *Patience, being pleased with God as well as submission are features of believers, who recognise the transient nature of this world and the eternal nature of the hereafter.*

"Indeed, Allah is with those who are God wary and those who are virtuous."
Holy Quran [16:128]

"And whoever is wary of Allah, He shall make a way out for him, and provide for him from whence he does not reckon"
Holy Quran [65:2-3]

"Say, 'If the abode of the Hereafter with Allah were exclusively for you, and not for other people, then long for death, should you be truthful.'"
Holy Quran [2:94]
